Section 421.0 Swimming Pool

I, hereby agree to comply with Section 421.0 of the State Building Code, effective May 1, 1999, concerning pool safety devices, fencing, including **temporary fencing until permanent fence is installed and approved**, gate, pool alarms, etc. I hereby agree that the installation of the electrical wiring and equipment such as pumps, filters, lighting, etc. shall conform to article 680 of the national electrical code. I hereby agree not to use my pool until approved final inspection has been performed.

I understand that it is my responsibility to call for a final inspection as soon as possible.

I, the undersigned shall install a pool alarm as required by Public Act 99-140, effective October 1, 1999. Alarm must emit sound of 50 decibels when 15-pound object enters the water, pool alarm must be installed with the pool, and this alarm does not take the place of barrier or other code requirements – in addition to existing code.
