Site Visit/Field Inspection

- 1. 2021-IW-006 / Joshua & Stephanie Weismer (Bill Johnson – John Toates Architecture and Design LLC) / 215 Taconic Road / Forest Management Activities / Map 23 / Lot 59-1 / DOR: 03/01/2021 /**

Members of the Commission and public met on site and the field inspection commenced at approximately 4:20 p.m. guided by project engineer Dave Battista and architects John Toates and Bill Johnson. Beginning on Taconic Road, the group followed an existing wood road into the property along the northwesterly lot boundaries, ending at the approximate southern proposed winch area. In addition, property owner Joshua Weismer and land management team including arborist Bill Pollock and representatives from Greenwoods Land Management were present. Property boundaries were identified, wetlands and upland review areas located, proposed limits of disturbance, septic areas and examples of dead/diseased/dying/invasive specimen shown. The meeting was adjourned at 5:30 p.m. A special meeting will be held 3/9/2021 to convey observations by those present and deliberate the proposal.

Respectfully submitted,

Abby Conroy,
Land Use Administrator
