**Re: Special Permit #2021-0123 for a 12-Unit Multi-family Housing in PKSQ
and APA – Salisbury Housing Committee – 11 Holley Street**

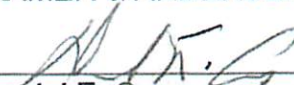

Dear Chairman Klemens:

For reasons I articulated at the close of the hearing session last night, the Commission's requirement that I submit all materials in support of my clients' opposition by March 18, 2021, is an egregious violation of my clients' rights to due process and fundamental fairness. The only response proffered by you to my request to a 30-day continuance--merely two weeks more--was that "we need to keep this moving along." With all due respect, that response rings hollow and suggests that the Commission intends to limit my ability to put on a robust and thorough case.

I respectfully reserve my right to appeal on the basis of this manifestly unfair and prejudicial schedule.

Very truly yours,
