

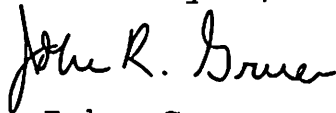

# EXHIBIT 2

My name is John Gruen. I am a professional photographer, located in Lakeville, CT. I took the pictures of Holley Place proposed location for housing on March 6, 2021. They fairly and accurately document the area shown. The angles and perspectives are my choices in order to render the area as best possible in a photograph.

Thank you,

A handwritten signature in cursive script that reads "John R. Gruen".
