Hi Abby. Attached is a letter of support for the Holley Place plans from the family that donated the Holley Block to the Town in the late 1960's. Please include this letter in the P&Z file for Monday's meeting. Many thanks, Peter

Dear SHC board:

My brother Ward and I are completely in favor of affordable housing in Salisbury and we approve the plans that you have emailed to us, below. A variety of housing is important to any healthy town, and in this case the building you propose reminds us of the one that was there when we were kids. Good luck and let us know if we can be of further help.

Dear Sara:

We, the SHC Board, are hoping that you would be willing to put yours and Ward's approval of the attached Holley Place plans in writing. The P&Z hearing is coming up on September 21 and your letter would demonstrate that your family approves of the venture. If you email it back we will present it at the hearing.

We don't know if there will be opposition at the hearing but we are attempting to cover all our bases beforehand. We want to avoid the contretemps in Falls Village and the many heated letters to the editor in the Journal.

And, we appreciate your family's generosity towards our town. It is needed more than ever.

Sincerely yours,

Anne Kremer & Peter Halle, co-Presidents
 Salisbury Housing Committee
