To Whom It May Concern,

My name is Brent Buck. I am a registered architect in the states of Connecticut and New York. I have twenty (20) years of experience with the practice of architecture. My education includes a Master's Degree from Yale University in Architecture. My family and I have a home in Lakeville, Connecticut and enjoy seeing the area grow responsibly.

The attached renderings were created on or about March 18th, 2021 by using pictures of the area taken by John Gruen and super-imposing over them a drawing/schematic of the proposed building as described in the Applicant's presentation materials. The renderings fairly and accurately represent my understanding of the project based on the Applicant's presentation materials.

Sincerely,

A handwritten signature in black ink, appearing to read 'Brent Buck', with a stylized, overlapping 'B' and 'B'.

Brent Buck, AIA
