Minutes:

Call to order -- 5:30 p.m.

1. Approval of the minutes of May 9, 2022.
Approved unanimously.
2. Status of the Connectivity Grant.

Marc Mancini, engineer, responded to Natalia's email on June 13, 2022: "We have started addressing the CTDOT Hydraulics and Drainage unit's comments on the Flood Management Certificate. We will be wrapping up our responses over the next week or so."

Marc Mancini is also working with Curtis and Chris on this by keeping the Selectmen in the loop and asking clarifying questions.

3. Status of Library to Salmon Kill Road Sidewalk.

Pat was unable to reach Metcalf to discuss the timetable. No clarity on when the Metcalf firm will be ready to do the sidewalk. The costs of asphalt and other materials have escalated. The Committee needs to work with Curtis to get clarity on who and when will be doing the work. Natalia is to ask Curtis. Pat is to work with Metcalf.

4. Citizens comments: None
5. New Business: None

Meeting adjourned at 5:50 p.m.

Minutes respectfully submitted by Natalia V. Smirnova, Secretary, on June 19, 2022.
