Call to order -- 5:32 p.m.

1. Approval of the minutes of July 11, 2022.
Approved unanimously as written.

2. Status of the Connectivity Grant.

Natalia emailed Mark Mancini who answered that they are in communication with the DOT on the status of the Pedestrian Bridge review.

On September 14th, Bill Champagne of DOT responded with comments and on September 15, Mark Mancini provided DOT with responses contained in this [folder](#).

Once again, we are waiting for the DOT to approve and issue permits.

3. Status of Library to Salmon Kill Road Sidewalk.

Pat is in communication with Brian and Kevin from Metcalf. They plan to start the work the week of the 19th or the 26th. The invoice for \$11,088 for the first 254 feet of the sidewalk is attached. Hopefully, this will be done before the winter.

Chris will work with Curtis to notify property owners along the work site.

4. Citizens comments.

Mr. Robert Highsmith of the property along the proposed sidewalk from the Library to the Meadow thanked the Committee for their multiyear efforts creating a walkability opportunity along Route 41/44. He emphasized the importance of taking care of the tree that is in front of his property along the proposed sidewalk. Chris reassured Mr. Highsmith that the sidewalk will loop around the tree and will not affect it. The tree will be preserved. The flower bed that is in the way will be relocated to be inside the property.

5. New Business – none was discussed.

Meeting adjourned at 5:55 p.m.
