

POPE LAND DESIGN COMMITTEE

SPECIAL MEETING

JANUARY 19, 2023 – 4:30PM (VIA ZOOM)

Present: Lisa McAuliffe, Vivian Garfein, Ray McGuire and Abeth Slotnick

Attending: Phil Barlow and Curtis Rand

The discussion was about preparation for the Webinar presentation of 3 concept designs to the Land Use Commissions on January 26, 2023. It will be stated at the beginning of the webinar that it is not a meeting for public comment or questions; the public will not be seen, but can listen to the presentation. The Land Use Commissioners present will be the participants. It was pointed out that these are concept designs, which will change over time.

R. McGuire, Chair, talked about the format of the meeting. C. Rand will have the opening remarks, talk about the background and introduce R. McGuire. R. McGuire will summarize the charge of this Committee then introduce A. Slotnick and L. McAuliffe.

C. Rand will introduce Tom Callahan, Vice-Chair of the Historic District Commission and former Chair of the Pope Committee, who will briefly describe the work of that Committee and the 2020 Report.

P. Barlow will summarize the current project, briefly review the supporting documents, and describe the 3 concept designs in a PowerPoint presentation. He will present some of the pros and cons of each design. A. Slotnick and L. McAuliffe may also comment on the concepts presented.

This Committee will ask the Land Use Commissions for feedback, as to how to proceed, and discuss at a future meeting.
