Members of the Commission and staff met the applicant team at the property at 4:30PM. The site walk began at 4:31PM in a lawn area west of the existing building. Engineer Pat Hackett led the visit. The Commission walked to the area southeast of the building and observed the proposed work area. Proposed building, stormwater features, and landscape areas were noted. The meeting was adjourned at approximately 5:00PM. The members in attendance will convey observations and deliberate the proposal at the next regularly scheduled meeting.
