Nature and description of proposed work (attach extra sheets as necessary);
The Salisbury Association rents the Academy Building from the Town of Salisbury and uses it as their base of operations and for exhibitions, meetings and events. The exterior door into the furnace room on the rear (east) side of the building has fallen into disrepair and is in need of replacement. The proposed replacement door will be the same size as the existing door. It is to be a fiberglass door with recessed flat panels that are similar to the entrance doors on the west side of the building. The door will be painted to match the west doors. Hardware will include a lockset and deadbolt similar in style to the hardware at the entrance doors. New casings will match the existing door casings.
