Regarding proposed Art Studio

What is entailed in studio usage?

Will clients visit to see your work?

Will this become a commercial/ home office

Setting?

What is long term usage? Plans indicate plumbing n electrical. Will this turn into a rental?

What necessitates this building as currently residence includes attached two car garage, divided by prior owner for arts n crafts room, and two existing bathrooms?

Currently property owners enjoy single family residences with “outbuildings” utilized as garage/storage space. Home offices are established within the residence.
