The meeting was called to order at 7:32 pm. on Zoom. Present were Lou Bucceri, Lisa McAuliffe, Jon Rusillo, Tim Sinclair, and Danny Smith. Chairman Bucceri presided.

Lisa informed Commissioners that the basketball season has just finished. There were well attended regional programs for grades one through four which received great reports from families. Housatonic Valley Regional High School coaches and players led a clinic for fifth and sixth graders. Boys and girls travel teams were successful with the boys making the playoffs.

Registration has begun for spring programs. Little League teams will, once again, be fielded in North Canaan. T-ball will play at Trotta Fields. A tennis clinic is planned for the spring. Lisa is also looking into organizing an ultimate frisbee clinic for ages five to eight.

Lisa reported that the Pope Land Design Committee has not met since early February and will not do so again until early April. Recently they have been trying to make the proposals more clear to the public. No date has yet been set for a public meeting to examine the proposals.

In her financial report, Lisa said that Rec expenses are inline with the budget. She alerted the Commission that the annual fee for the Rec Desk online program registration service will be paid at the beginning of the next fiscal year in July.

Jon moved to adjourn at 7:45 pm. The motion was seconded by Tim and unanimously approved.

Respectfully submitted,

Louis J. Bucceri
Chair
