Re: Cease and Correct Order – 105 Interlaken Road, Lakeville

At the August 12, 2024 regular meeting of the Salisbury Inland Wetlands & Watercourses Commission (Commission/Agency) a Show Cause Hearing was held regarding a Cease and Correct Order dated August 1, 2024. The Commission unanimously upheld the Cease and Correct Order for an operation within a wetland or watercourse involving alteration and the removal of material and clearing within 75 feet of wetlands and watercourses conducted at 105 Interlaken Road without the benefit of a permit. Specifically, vegetation removal has occurred along the southern shoreline of Lakeville Lake.

In accordance with Section 6 of the Conservation Commission's Inland Wetlands and Watercourses' Regulations*. The Agency considered the facts presented at the hearing. This letter serves as formal notice that the Agency unanimously upheld the original order (attached) and that said order remains in effect.

At the Show Cause Hearing contractor Blake Morrison agreed to developing a planting plan and maintenance schedule in favor of remedying the violation through a Consent Order in lieu of the Cease and Correct Order.

The Commission looks forward to receipt of the aforementioned items at their next regular meeting scheduled on Monday August 26 at 6:30pm via Zoom.

Sincerely,

Abby Conroy
Inland Wetlands & Watercourses Agent
