11 Commission members Larry Burcroff, Sally Spillane, Maria Grace, and Tracy Brown met
12 applicant team members Bob Stair of Great Falls Construction and Engineer Todd Parsons at 280
13 Between the Lakes Road. Six members of the public and Town of Salisbury Land Use Technical
14 Specialist Miles Todaro were also present. The site walk began at 4:30PM. The group walked
15 along Between the Lakes Road and observed the proposed work area. The proposed new location
16 of the road was noted. The group then walked to 300 Between the Lakes Road and observed the
17 site of the proposed driveway and associated drainage. The location of the proposed house was
18 also noted. Inland Wetlands and Watercourses Commission members in attendance will convey
19 observations at the next regularly scheduled meeting. The meeting was adjourned at
20 approximately 5:15PM.

21 Respectfully submitted,
