Hey there.

My major concerns about the mega project would be

- 1.) tax increase- I am not okay with tax increases due to someone ELSE making money from a huge hotel.
- 2.) town water/ sewage - we have very old plumbing in this town. If that hotel is ever at maximum occupancy then our town may have major issues and again would affect our taxes
- 3.) traffic lights/ traffic - would the people building a major development be the ones that purchase the traffic light? Again, I'm not paying extra money for something that doesn't benefit me in any way. Also, the one nice part of this area is no traffic and no traffic lights, don't ruin that.

Thank you,
