Dear Commissioners,

We would like to submit the following questions for the applicant:

- * Why is this specific location chosen?
- * What is the rationale behind the large scale of this project?
- * Why is there such relentlessness for this particular location?

We stand in support of our neighbors who have raised pertinent issues regarding this application. It is perplexing that the Planning & Zoning Commission and the Director of Land Use would even consider allowing a special permit for this project.

Sincerely,

Brigitte and Michael Harney
