Dear Salisbury Planning and Zoning Commission, landuse@salisburyct.us.

As a Lakeville resident, I wish to express my objection to the proposed Wake Robin expansion - currently projected to include around 60 guest rooms, a hundred or more beds and an entertainment center.

My specific objections are:

- that the added noise from the entertainment centre, added outdoor lights and added traffic are not consistent with the residential and local environment and ambience of Lakeville and will be a nuisance to the immediate neighborhood
- that the development will place undue strain on Lakeville infrastructure, including water supply, sewerage, road access, emergency services, and policing noise interference (which currently never happens in our town anyway) both now and in future.

I strongly request that the Town of Salisbury not approve a development of this magnitude and style.

Sincerely

Ann Hume
