My husband and I purchased our house in Lakeville 15 years ago this month. We chose Lakeville for its charm and rural quality. We have been very happy here and fear the chaos the Wake Robin project will bring to our community. Our Village is too small to accommodate a project of this size. We, like so many other residents, believe the Wake Robin proposal will negatively impact our quality of life and the value of our home. Both of which we cherish.

We strongly plead with the Commission to protect our quality of life and reject this proposal.

Sincerely,

Bonnie Brady Wyman
