Dear Dr, Klemens and Members of the Planning and Zoning Commission,  
We write to you as 30 year plus residents of Salisbury. We live here because it is a beautiful, quiet, and peaceful community. Aradev's proposed Wake Robin development will shatter that peace for our community, especially impacting friends who live within earshot of the project. Please consider the welfare of those who live here by voting against allowing this project to move forward.

Respectfully,

Lee and Sophia deBoer
