Planning And Zoning Commission

Dear Chairman Klemens,

The Conservation Commission would like to thank the Planning and Zoning Commission as well as the Pope Land Design Committee for their oversight and diligence in planning potential development and use of the Pope property and protecting the wood turtle habitat.

At its October 9, 2025 meeting, the Salisbury Conservation Commission voted unanimously to support the request of the PLDC for an 8-24 review of the planned use of the town-owned parcels known as the Pope Property and Trotta Field.

The Conservation Commission believes the protection and conservation of the natural habitats of the Pope property and Trotta area per the PLDC's presentations and mapping are in keeping with the Town's Plan Of Conservation and Development.

Please call on us for any further comments.

Sincerely yours,

Lee Potter, Chair

Salisbury Conservation Commission
