A large sheet of dark grey, pebbled material, possibly a roofing or paving material, with a white label in the center. The material has a dense, granular texture with small, light-colored pebbles embedded in a darker matrix. The sheet is folded in the middle, and the label is placed on the top half. The background is a plain, light-colored wall.

Featured Color:

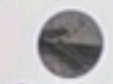

**MAX DEF PEWTERWOOD**

**IMPACT RESISTANT**  
UL 2218 Class 3
