

SALISBURY AFFORDABLE HOUSING COMMISSION

SPECIAL MEETING

JUNE 18, 2026 – 10:30AM (REMOTE)

Sub-committee: Advocacy for AH. Present: Jennifer Kronholm Clark, Lee Sullivan, Jon Higgins and Richard Tennyson. The meeting was called to order at 10:32am. Kevin Cantele joined the meeting at 10:40am.

J. Kronholm Clark talked about the “2026 Road Show” presentation, a short presentation to take to other groups beyond SAHC events. The 15 slides were reviewed and edited, including the questions to be answered during the presentation; statistics pertaining to Salisbury; existing AH and what is being built or planned; and how to get involved. An additional slide will be added about how AH is funded. A survey option will be discussed further.

The next phase will be to develop a list of potential groups that have meetings and contact them about giving this presentation; the full SAHC will be asked to help out with contacts for a list. There is going to be a community event in Millerton in July; the SAHC will consider participation on some level. Items for the newsletter and mailer are on the agenda for the meeting tonight. The meeting adjourned at 11:29am.
