WPCA – Minutes – 8.18.2026

The Water Pollution Control Authority Regular Meeting minutes of August 21, 2026.

Present: Donald Mayland, Chairman; Jim Rutledge; John Whalen; Emily Egan; Charles Humes, Superintendent.

Absent: Pat Hackett; Robin Leech

The meeting was **called to order** at 9:01am.

J. Rutledge made a motion to **approve the agenda**. J. Whalen seconded, and the motion was approved unanimously.

C. Humes, Superintendent's Report

- **Generators:** The UV generator discussed during the July meeting sustained irreparable internal damage. A replacement unit, estimated at \$12,000, is expected to arrive within two weeks.
- **Digester Building Roof Replacement:** Work on the replacement of the digester building roof is scheduled to commence on September 8, 2026.
- **Restaurant Outreach:** C. Humes has delivered outreach letters to all designated local restaurants, with the exception of Fern and The Woodland.
- **State Inspection Requirement:** A State of Connecticut inspector requested a formal letter from the First Selectman, backed by supporting documentation, verifying that the sand beds have not been operational or utilized since 2020.

16 Farnum Road

- **Sewer Billing Adjustment:** Sewer usage for 16 Farnum Road is currently billed on its existing 1,092 sq. ft. area. Following an approved change of use from the Planning & Zoning Commission to convert the property into a theater, the total square footage of the building will increase.
- **Action Taken:** Upon a motion by J. Rutledge and seconded by J. Whalen, the Board voted unanimously to bill the owner at the commercial rate based on the total updated square footage of the building.

There were no **citizen comments** at this time.

Adjourn: 9:26am
