Hello Miles,

Thank you for the information. I have one spa room, and until I hire someone, it will be available by appointment only during the off hours of my retail schedule. Eventually, I hope to hire one or two employees, but that doesn't change the client count since the room situation remains the same. I hope to ask the committee for an exception to this Permit for the Torrington Health Department application because there is plenty of public parking via Main Street, and my use is not nearly as high traffic as any other business on the block. Thank you for the meeting information, I will attend on Monday.

Best,

Sarah

Hi Sarah,

I've attached the special permit application you filled out in the office this morning. Please provide a brief narrative explaining the proposed use, including anticipated parking demands.

As a reminder, the next meeting of the Planning and Zoning Commission is on Monday October 5th. The Commission meets remotely via Zoom, and the meeting link/instructions to join the meeting will be on [the agenda](#). A public hearing will be scheduled for a subsequent meeting. There is a \$360 application fee.

Please let me know if you have any questions!
